

LSPAC Dance Recital Agreement 2008-2009

“IT WAS ALL IN YOUR MIND...A journey through your dreams”

Details to Follow in Recital Packet Handed out in the Spring

OUR GOAL

Dear Parents:

We believe in teaching professionalism in the performing arts – from classroom etiquette through to performance. Our production is a professional show with a professional lighting and sound crew, a stage manager, and backstage supervisors. We also hire a professional photographer and videographer.

With this in mind, ALL students take a final bow and perform our school finale dance with the entire cast at the end of the show. They will learn the finale dance during the last month of classes. Students must arrive 30 minutes prior to showtime and must remain backstage for the entire performance (approximately 2 hours) No exceptions. Only faculty, security personnel, and backstage moms who have volunteered will be allowed backstage. Please understand that this is for the safety of the children in the show and we take this very seriously. If you want to be with your child, we encourage you to be a backstage mom.

WHEN IS IT?

Mandatory Dress Rehearsal for all dance classes (15 minute time slot per class)	Show Day! <u>2 Performances</u> 12:00 Noon 5:00 pm
Sunday, June 7, 2009	Saturday, June 13, 2009

COSTUMES

You are required to purchase 1 costume for each dance class you choose to perform with in the show. You will be asked to have the proper accessories and shoes as stated in the costume book which can be found in the front lobby after the New Year.

The cost of your recital costume includes:

1 pair of tights where applicable
All appliqués will be applied
Any exchanges that may be necessary

All accessories
Optional steaming

** Please note: If we need to order an extra large or plus size costume for you, an additional fee of \$5.00-\$25.00 may be applied, depending on the costume company charge. You will be billed for this if it applies to you.*

PERFORMERS/FAMILIES IN MORE THAN 1 SHOW

We do our best to keep students and siblings in the same performance, however, it is not always possible.

STUDENT TICKET: Any student with a sibling in an opposite performance will receive a complimentary student ticket to see their sibling in the show. Please remember, this student will not be permitted backstage for that performance and cannot be in the auditorium in costume. You will be asked to indicate this on your ticket order form.

PARENT TICKETS for children split among dance performances. Family will receive one complimentary tickets for the show of their choice. You will be asked to indicate this on your ticket order form.

RESTRICTIONS:

This does not apply to classes already scheduled in more than one performance.

This does not apply for acting and voice classes since that is a separate show.

The following does not apply to dance company families; you will receive details at the company show.

Keep in mind that the Dance Recital and Theatre Show are two entirely different productions.

STUDENT PARTICIPATION

The recital is not mandatory, however, we highly encourage your participation. The students have worked so hard all year and this is their chance to shine! Each season, the studio directors choose a theme that the faculty works on for the show. This season, we are proud to present stories of dreams, nightmares and twists of fate!
