OUR GOAL

Dear Parents:

We believe in teaching professionalism in the performing arts – from classroom etiquette through to performance. Our production is a professional show with a professional lighting and sound crew, a stage manager, and backstage supervisors. We also hire a professional photographer and videographer.

With this in mind, ALL students take a final bow and perform our school finale dance with the entire cast at the end of the show. They will learn the finale dance during the last month of classes. Students must arrive 30 minutes prior to showtime and must remain backstage for the entire performance (approximately 2 hours) No exceptions. Only faculty, security personnel, and backstage moms who have volunteered will be allowed backstage. Please understand that this is for the safety of the children in the show and we take this very seriously. If you want to be with your child, we encourage you to be a backstage mom.

WHEN IS IT?

PERFORMERS/FAMILIES IN MORE THAN 1 SHOW

We do our best to keep students and siblings in the same performance, however, it is not always possible.

STUDENT TICKET: Any student with a sibling in an opposite performance will receive a complimentary student ticket to see their sibling in the show. Please remember, this student will not be permitted backstage for that performance and cannot be in the auditorium in costume. You will be asked to indicate this when ordering your tickets.

PARENT TICKETS for children split among dance performances. Family will receive one complimentary ticket for the show of their choice. You will be asked to indicate this when you order your tickets.

RESTRICTIONS:

This does not apply to classes already scheduled in more than one performance.

The above does not apply to dance company families; you will receive details at the company show.

STUDENT PARTICIPATION

ANNUAL STUDENT PRODUCTION

The end of season production is not mandatory, however, we highly encourage each student's participation. The students have worked so hard all year and this is their chance to shine! Each season, the studio directors choose a theme that the faculty works on for the show. This season, we are proud to present memories of the Boardwalk and Jersey Shore.
